A uniform, one-line card with your company's name

Company name, logo, and brief description included in exhibitor roster in mobile conference app

Meeting registration for up to three (3) company representatives, including conference materials and meal tickets

Additional Registrants

If desired, three company representatives *in addition to the three included with the exhibit fee* may register for the meeting at the non-member rate. For these additional registrants, submit an individual registration form (print or online; available in late December), and write the company name and "Tech Tables" on the form.

Any additional representatives beyond the six described above are eligible to register **only** if they meet attendance requirements (must be a veterinarian, an AASV member, or an invited speaker). Standard fees apply.

Table Assignments

Preferential table sites are reserved for AASV e-Letter sponsors and members of the JSHAP 2019 Industry Support Council. A drawing is conducted to assign the remaining tables on an equitable basis.

Set-Up

Monday, March 11, 7:00 - 9:00 am

Material presented at the table is limited to scientific, educational information that will best inform swine veterinarians about your company's products and services. Exhibitors are welcome to use their own table drape. Overhead or vertical banners, booth and tabletop displays, and large monitors are not permitted, nor is selling of product. Items on the table should be no more than 18" high. This modest approach to the commercial trade show provides a level playing field for all participants and allows the event to focus on education, information, and networking, in keeping with the nature of the meeting.
