Standard fees apply.

### Table Assignments

Preferential table sites are assigned to AASV e-Letter sponsors and members of the JSHAP 2024 Industry Support Council.

A drawing is conducted to allocate the remaining tables on an equitable basis.

### Set-Up

Monday, February 26, 7:00 – 9:00 am

Material presented at the table is limited to scientific, educational information that will best inform swine veterinarians about your company’s products and services. Exhibitors are welcome to use their own table drape. Overhead or vertical banners, booth and tabletop displays, and large monitors are not permitted, nor are sales of product. Items on the table should be no more than 18” high. This modest approach to the exhibit provides a level playing field for all participants and allows the event to focus on education, information, and networking with attendees, in keeping with the nature of the meeting.

### Registration

The registration form and \$3000 payment must be received by **September 29, 2023** to ensure eligibility to participate in the Industrial Partners sessions and the listing of your company name in the AASV meeting program.
